

G22

WHITE WINE

G22 is the fruit of patience, meticulous observation and tastings. It has taken years of work to create this special coupage. Inside each bottle of G22 are only the best harvests from our exceptional vineyard plots. Aged in lees for several months to create a wine with a fantastic evolution capacity.

This versatile, elegant and complex character captures the essence of the Hondarrabi Zerratia grape in a bottle.

 **D.O.:** Bizkaiko Txakolina

 **Vineyard surface:** 6,5 hectares distributed in 2 plots and in 2 towns

 **Average production:** 6.500 kg / hectare

 **Varieties:** 100% Hondarrabi Zerratia

 **Vineyard average age:** 15 years

 **Density:** 3.300 strains / hectare

TASTING NOTE

Clean and iridescent, with an elegant glow. Yellow tones mix with intense green and bright notes that bring out freshness. The bouquet is intense and persistent. Beginning with pear, ripe apple and pink grapefruit. Then continues to a second level with greater complexity combining white floral essences with memories of melissa, linden flower, white nettle and fennel seeds. **All wrapped in a delicate blend** that aging on lees lends to the flavor.

A subtle and smooth wine with great complexity that starts with a pleasant fruit sensation and gives way to floral and balsamic essences.
