

# Zura

## WHITE WINE

**Zura was born from the desire to respect the original character of our Hondarrabi Zerratia grapes.**

The must is fermented in a French oak vat with a capacity of 5,000 litres, and, when the fermentation turns into wine, it is bred with its fine lees. The lees are then stirred daily for 10 months until they reach the perfect blend of fruit, wood and lees. Then it passes to mature in the bottle for long months.

A wine with its own personality, refined and full-bodied, combines perfectly with the most varied dishes. It will grow in nuances and intensity with the passage of time.
