WHITE WINE

It is only made in the most exceptional vintages in Bizkaia.

The maturity and concentration of the small clusters of our Hondarrabi Zerratia, usually harvested at the end of October, make it a different, complex and elegant txakoli.

A very limited production that is released on the market two or three years after its harvest. It is always worth the wait.

An elegant, subtle and silky wine that not only stimulates sensations but also stimulates feelings.

Production: From tear must, 90% was fermented in stainless steel tanks while the rest, 10% was kept in French-oak fine-grained barrels. After 2 month with its lees, both wines were blended and kept together in tanks for further 18 month.

TASTING NOTE

Golden-yellow hue with greenish reflections, the nose evokes the clean and intense aromas of ripe white peach and citrus like pink grapefruit, toasted bread, pastry and oak can be also appreciated. The body is powerful, glycerin with a ripe apple base, citrus and tropical fruit, accompanied by a subtle smoky aroma of toasted butter and delicate acidity. A characteristic wine with long life and fantastic evolution.
